Vishnu Godara

Technical Manager |
India

Summary

Agriculture Machinery Professional with strong experience in Service Management, Technical Support, and Farm Mechanization Solutions. Experienced in agricultural implements, balers, forage equipment, tractors, and modern farming technologies with practical field knowledge in machine operation, troubleshooting, product training, and customer support. Passionate about delivering reliable technical solutions, improving farm productivity, and supporting farmers and dealers through effective after-sales service and machinery expertise. Key Skills: • Agriculture Machinery & Implements • Technical Service Management • Field Support & Troubleshooting • Product Training & Machine Operations • Customer & Dealer Relationship Management

Experience

KRONE Agriculture
Technical Manager
September 2025 - Present (1 year 1 month)
India

Experienced Technical Manager with a strong background in agricultural machinery service, field operations, and technical support. Currently associated with KRONE Agriculture, contributing to enhanced machine performance, service quality, and customer satisfaction through hands-on technical expertise and structured service management.

Proven ability in:

Managing end-to-end service operations for agricultural equipment
Troubleshooting, diagnostics, and root-cause analysis in field conditions
Leading and training service engineers and technicians
Coordinating with dealers, customers, and internal teams for timely issue resolution
Supporting installation, commissioning, testing, and compliance activities
Implementing preventive maintenance strategies to reduce downtime

Known for a solution-oriented approach, strong understanding of farmers' practical requirements, and commitment to maintaining KRONE's service standards and reliability in demanding agricultural environments. Passionate about continuous improvement, technical innovation, and strengthening after-sales service networks to support modern, efficient farming.
